Consent Agenda – motion to approve by Clerk Fritz, supported by Treasurer Munn. Approved

Treasurer's Report – motion to approve by Clerk Fritz, supported by Trustee Bennett. Approved

No Citizens Comments

No Old Business

Under New Business – KCRC gave a presentation lead by Travis Bartholomew. The Wakeshma 10 year plan was discussed. KCRC is also looking into a trial rubber chip seal that they feel Wakeshma Township would be a great candidate for. The cost above a regular chip seal would be covered by a grant. For more information please go to www.kalamazooccountyroads.com

Road Committee – There is a meeting to be scheduled soon now that Covid restrictions are being lifted

No correspondence

No Zoning Enforcement

No Sheriff Update

Fire Authority Update – It was unofficially announced that the lease renewal for the fire station in Vicksburg will not be renewed in 2026. There will be a committee formed to look for a new location. It was suggested that Engine 2 to come to us at Station 3 but it does not fit in our bays. This is going to effect every township and village in South County
